# mediavision

Thank you for viewing our products.

We take great pride in being the leader in the industry. Most of the products we develop are created and manufactured by us from start to finish. We offer many different games that can be played in the same arena. Our focus is to always innovate and design new and exciting games for the amusement industry worldwide along with bringing you quality products backed by years of experience in the business. We are now happy to offer large format digital printing using our patented fluorescent inks.

Media Vision is the creator and manufacturer of Award Winning Arena Combat game systems including Bazooka Ball, PhazerZone Paintless Paintball and Plazma Force Laser Tag! It's One-Stop-Shopping when you combine our Media Vision Combat games with our exclusive Fluorescent Large Format printing process. We can build any type of fantastic Glow-In-The-Dark arena environment and theme any space or party room as well as windows and outside your building.

We look forward to working with you and your company.
